60-hour Beginner English Course Common European Framework A1 (BASIC USER) Learning Objectives / Syllabus

This course is designed for students with no previous knowledge of the English language. It introduces them to the grammar and vocabulary of the language and provides them with the skills needed to begin communicating through English.

Learning Outcomes

By the end of the course the students will be able to:

- Understand and use familiar everyday expressions and basic phrases.
- Introduce themselves and others.
- Ask and answer questions about personal details.
- Interact in a simple way provided the other person talks slowly and clearly and is prepared to help.
- Complete basic forms, and write notes including times, dates and places.
- Understand basic notices, instructions or information and take part in a basic factual conversation on a predictable topic.
